

# ADMETEC WARRANTY

We've Got You Covered

The warranty period is 2-years for all Admetec loupes and lights. The only exception is the Butterfly battery which has one-year warranty while all the other products and parts have a 2-year warranty.

If a defect arises and a valid claim is received by Admetec within the Warranty Period, Admetec will (1) repair the product at no charge, using new or refurbished replacement parts, (2) exchange the product with a product that is new, or which has been manufactured from new or serviceable used parts and is at least functionally equivalent to the original product.

When a product or part thereof is exchanged, any replacement item becomes your property, and the replaced item becomes Admetec's property.

## Exclusions and Limitations

This warranty does not apply: (a) to damage caused by accident, abuse, misuse, misapplication, or non- Admetec products; (b) to damage caused by service performed by anyone other than Admetec; (c) to a product or a part that has been modified without the written permission of Admetec; or (d) if any Admetec warranty label has been removed or defaced.

## Butterfly Warranty

Admetec's warranty obligations for the Butterfly are limited to the terms set forth below:

Admetec warrants the Butterfly product against defects in materials and workmanship for a period of two (2) years for the headlight and one (1) year for all other supplied parts from the date of original purchase ("Warranty Period").

## Student Extended Warranty

Students will receive an extended warranty with their purchase. The warranty will be extended for the entire duration of their current academic program. If the student only has 1-year remaining in their program, the regular 2-year warranty will apply. This extended warranty excludes the Butterfly and Orchid batteries.
